School Mission: “High levels of learning for all”

Course Description:

This course is designed to increase knowledge and skills in cosmetology competencies including advanced hair color techniques, color correction, haircutting, hairstyling, facials, waxing, lash and brow tint and nail services. Students will earn credit hours toward the completion of the 1500 training hours (250 theory + 1250 service application hours) required by the Georgia State Board of Cosmetology. In addition, this course offers possibility of meeting articulation alignment with the technical colleges or other post-secondary options. This course includes required theory and practical applications. This course provides more in-depth competencies for the co-curricular student organization SkillsUSA and presents integral components that should be incorporated throughout instructional strategies developed for the course.

Pre-requisite: Introduction to Personal Care Services, Cosmetology II and III

Student Evaluation

The grading system for Cosmetology is as follows:

Tests and Projects (Summative)	- 40%
Quizzes, Classwork, & Minor Assignments (Formative)	- 30%

Employability Skills (Formative)	- 10%
Practical Final Exam	- 5%
Written Final Exam	5%

Attendance Policy

Regular and prompt class attendance is an essential part of the educational experience. McEachern High School expects students to exercise good judgment regarding attendance and absences. Students will accept full responsibility for ensuring their work does not suffer because of absences. All students are expected to attend every scheduled class on time both face-to-face and virtually. Exceptions may be made for illness and valid emergencies. If you are absent, it is YOUR responsibility to make up the assignments and/or tests when you return. If you do not make up your assignments within one week of absence the grade of 0 will stand. See student handbook for full attendance policy.

Classroom Expectations

1. Arrive to class on time
2. Be prepared
3. Respect your classmates and teacher
4. Give your all, all the time
5. Be responsible for your actions
6. No eating, drinking, or cell phones, permitted in the classroom unless authorized

Plagiarism, Cheating, and Academic Integrity

Plagiarism is the practice of copying words, sentences, images, or ideas for use in written or oral assessments without giving proper credit to the source. Cheating is defined as the giving or receiving of illegal help on anything that has been determined by the teacher to be an individual effort. Both are considered serious offenses and will significantly affect your course grade. Please refer to the Student Code of Conduct booklet for additional information.

Methodology

A combination of lecture, class discussion, presentations, videos, cooperative learning, and problem-based learning will be used in this course. Grades will be determined by the satisfactory and timely completion of assignments. The grade of each assignment is based on the prerequisite given for each assignment. Below is an overview of topic/ units and major assessments/assignments for this course. Please note dates/timeframes are subject to change and are an estimate.

Projects

Some of the learning that takes place in this class will be student-driven and project based. True learning takes place when students solve problems and discover things on their own. I will not stand in front of the class and simply tell you what you need to know.

Some projects will be individual, but many will require you to work in a small group. Students will be expected to meet with groups virtually.

While I understand that some people prefer to work alone, working with others is an essential skill that is needed to be successful as an adult. If you are one of these people, please speak with me in private and I will attempt to group you with other students in which you will be compatible.

Tests and Quizzes:

Most of the tests and quizzes I give are multiple choice and short answer. However, all tests can include a combination of any of the following: multiple choice, true/false, matching, fill-in-the-blank, short answer, graphs, charts, and map questions.

Quizzes will be scheduled in advance, but the teacher reserves the right to give pop quizzes. If participation in class is low, students are not able to participate in class discussions with reasonable intelligence of the material, and/or did not complete the homework, a pop quiz may be given. Quizzes will cover the readings that the student is to have completed, class activities, and any notes given in class lecture (normally only a week's worth of material).

Makeup Work/Late assignments:

Students will be allowed to makeup assignments no more than five (5) days past the original due date. Students will receive a deduction of 5 points per day that the assignment is late. After 5 days the assignment will not be accepted and a grade of 0 will be issued. It is imperative that students contact the teacher immediately if they will miss an assignment.
